

IMAN MUNIR

Computer Science Student & Data Analytics Enthusiast

Pakistan | LinkedIn: [linkedin.com/in/iman-munir](#) | GitHub: [github.com/iman-munir](#)

EDUCATION

Bachelor of Science in Computer Science (BSCS)

6th Semester (Current) | CGPA: 3.51 (Upto 5th Semester)

EXPERIENCE

Frontend Development Intern

CodeAlpha | July 2026 - Present

- Designing and developing responsive web applications using HTML5, CSS3, and JavaScript.
- Built an interactive Image Gallery with lightbox navigation and automated filtering.
- Developed a modern fully-functional Calculator application with keyboard event listeners and glassmorphism styling.
- Creating a comprehensive personal portfolio site to dynamically showcase technical projects and academic milestones.

CERTIFICATIONS

Data Analytics Professional Certification Series

Completed 9 Core Specialized Courses

- Gained deep knowledge in data processing, statistical analysis, and predictive insights.
- Hands-on proficiency in structuring complex data models and rendering business dashboards.

PROJECTS

Personal Portfolio Website

HTML, CSS, JavaScript

A fully responsive single-page application built to host professional records, dynamic skill sets, and interactive deployment links via GitHub Pages.

Interactive Image Gallery

HTML, CSS, JavaScript (ES6)

Features smooth hover effects, scale transitions, category filtering, and an immersive modal lightbox for media navigation.

Smart Digital Calculator

HTML, CSS, JavaScript

A web application handling precise real-time arithmetic operations, supporting clean reset features and comprehensive keyboard mapping.

TECHNICAL SKILLS

Languages & Core:	Python, JavaScript, SQL, C++, Data Structures & Algorithms
Frontend Development:	HTML5, CSS3, Responsive Layouts, Grid/Flexbox, UI/UX Animations
Data Analytics:	Data Cleaning, Statistical Modeling, Analytical Insights, Reporting
Tools & Platforms:	Visual Studio, GitHub, Git Version Control
